We hereby declare that the above-mentioned materials do not contain any of the substances listed below in detectable concentrations, nor are such substances intentionally added, in accordance with Regulation (EU) 2024/3190 concerning the restriction of Bisphenol A and related bisphenols under the REACH Regulation.

Substance:

Bisphenole A, CAS Nr. 80-05-7

We are giving this message to the best of our knowledge. It is only a non-binding advice, and does not exempt you from testing our product for their suitability for the intended processes and purposes. Application, use and processing of the products are beyond our control and, therefore, entirely on your own responsibility. However, should a case of liability come into consideration, it is limited to all damages to the value of the goods which we delivered and you used. This message is no subject to updating service.
